Nature of Complaint: Professional misconduct of a sexual nature

Conduct and Discipline: Acknowledged the professional misconduct of a sexual nature with his employee, as well as using a controlled substance during office hours. This resulted in the following Consent Resolution:

1. Reprimand for professional misconduct of a sexual nature and using a controlled substance during office hours;
2. A three-month suspension;
3. Fines in the amount of \$15,000;
4. Costs in the amount of \$5,000;
5. Coursework on the subjects of professionalism, ethics and boundaries;
6. Counselling regarding his fitness to practice and the risk of transgressing appropriate clinical boundaries; and
7. Undertakings not to repeat identified conduct.
